Dear Parents of Confirmation Candidate:

I am pleased to welcome your son or daughter to Saint Rose Confirmation program. The fee is \$70.00 for the two year program which should be paid by first class (September 27, 2015). Attendance at all classes is mandatory. If your son or daughter is sick please call or email me to see what your teacher request student to do make up class. If your son or daughter misses too many classes they will have to repeat first year class instead of moving on to second year with rest of class.

Any questions please feel free to call me or email me
